

Dear Friend,

We're proud to stand up for Democratic values right here in Jessamine County—and we're asking for your support to keep that momentum going.

Every dollar you give helps us support local campaigns, host rallies and events, produce signs and advertising, and carry out the grassroots work that powers our democracy. All funds are used for political efforts approved by the Kentucky Democratic Party—and every bit makes a difference.

We're a team of volunteers, united by shared values and a vision for a stronger, more inclusive future. If you believe in that vision, we hope you'll consider making a donation today.

Thank you for standing with us.

Lee Walker, Chair
